Dear Prospective Member:

The Heinlein Society is a non-profit organization dedicated to promoting the intellectual and literary concerns, and social legacy, of Robert A. Heinlein. In addition to his main reputation as a science fiction writer and futurist, Heinlein during his lifetime tried to give worthy social causes a boost. The best way we can show our appreciation for his legacy is to **PAY IT FORWARD.**

Some examples of projects already proposed for the Society (now pending tax-exempt charity status) are: continuing the series of blood drives he started; developing an educational curriculum using Heinlein's writing; sponsoring educational programs such as essay contests; keeping his books in libraries; sponsoring scholarly and literary work on Heinlein; and doing our best to promote space exploration. A complete list of the working sections already started is in the information part below. We will want to add more worthy projects as time goes by.

Membership in the various working sections is not mandatory, but it is certainly encouraged. Also we want your ideas for working projects in the future! An annual Supporting Membership level is provided for students and those on fixed incomes who wish to support the work of The Heinlein Society.

If you are interested in joining us in continuing the good work Robert Heinlein started, please fill out the application form below and mail it to The Heinlein Society, P.O. Box 1254, Venice, CA 90294-1254. Or visit our website at [www.heinleinsociety.org](http://www.heinleinsociety.org), where you may apply for membership by an online application form. For further information, please contact the Society at the above postal address or Internet E-Mail via "membership@heinleinsociety.org."

**"I think the Heinlein Society is a fine idea. Robert would be proud of the way his Children have grown up." -- Virginia Heinlein, October 2000.**
